

Staying Safe at May Bank Infants School

In our school, everyone has the right to feel safe and happy. We help you to learn about staying safe in lots of ways and our school will provide a safe place for you to learn in.

Need to talk?

You can speak to any adult in our school. They are here to listen to you and help you. [Mrs Bagshaw](#) and [Mrs Moore](#) will listen to you at any time too.

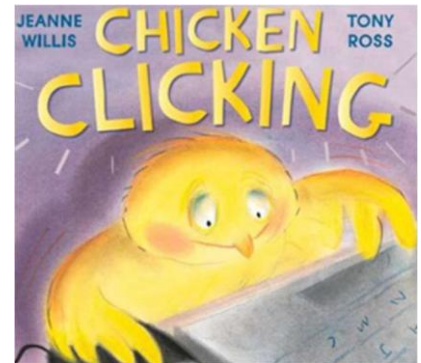

If you can't find the words to ask an adult, take a 'Speak Out, Stay Safe' token from the school hall and show it to an adult. They will listen to you.

ChildLine will listen to you too. You can contact them from any phone on 0800 1111

Some of the things we learn about in our school to keep ourselves safe:

Staying Safe Online

Stranger Danger

Firework Safety

Water Safety

Sun Safety

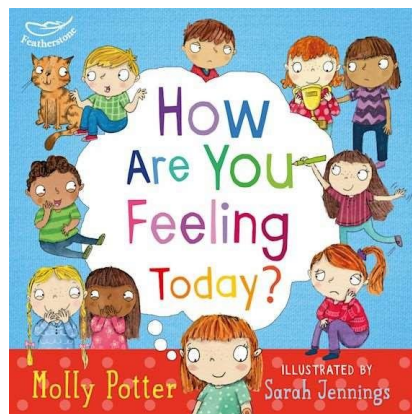

Staying Safe on the roads and in cars

At May Bank we say 'NO' to bullying and we say 'YES' to friends!

We also help you to talk about your feelings, emotions and your mental health

We learn how to Speak out to stay Safe with Buddy

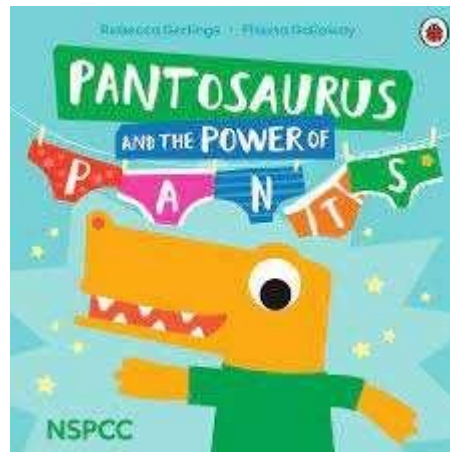

Your body belongs to you and you have the right to keep it safe.

We teach the correct names for our body parts covered by our underwear.

We teach the underwear rule with [NSPCC PANTOSAURUS](#)

We are all here to keep you safe!
